

# AOG & FIREMAGIC ISLAND ENCLOSURE GRILL ADAPTER KIT

**INSTALLER:** Leave these instructions with consumer.  
**CONSUMER:** Retain for future reference.

This adapter kit allows for your grill/griddle/pizza oven to be installed into the island enclosure.

**Note:** If your appliance has a 12" countertop to unit bottom cutout requirement, your unit is not compatible with this adapter (reference your unit's owner's manual for cutout dimensions). Call your dealer for more information.

See Table 1 below. To install; follow the steps below:

1. Completely read and follow the island enclosure instructions for its assembly.
2. Place the adapter kit into the grill cutout of the island enclosure. Using #10 screws (not included), fasten the adapter kit to the island enclosure.
3. Refer to the instructions provided with your grill for its installation.
