

## HARDWOOD GRILL SCRAPER

Model # 3502-W

Made of 100% natural red oak and pre-treated with food grade mineral oil, this Fire Magic Hardwood Grill Scraper is the perfect alternative to metal wire brushes.

### TO USE:

**Diamond Sear Cooking Grids & Griddle Tops** - Turn off your grill after cooking, then work the scraper along the hot cooking grids from front to back using firm and steady pressure. Hot cooking grids will allow the scraper to glide smoothly. Wear heat-resistant gloves.

**Round / Standard Cooking Grids** - Turn off your grill after cooking, then work the scraper along the hot cooking grids from front to back using firm and steady pressure. Hot cooking grids will allow the scraper to conform to the contours of the cooking grids. Wear heat-resistant gloves.

### TO CLEAN:

Wipe off with a cloth and cooking oil of your choice.
