CONES/CHIPS/ACORNS

These items are designed as secondary media, to be placed around the front and sides of the burner.

Place them as desired - see Fig. 1-1 for an example.

- If the fireplace has lava granules/coals, place the items on the lava media.
- **DO NOT** place the items on the burner, the burner pan media, or the logs.

Fig. 1-1 Place cones/chips/acorns around front and sides of burner

If your kit includes additional items, continue to the next page

BURNER PAN MEDIA AND LAVA MEDIA

Vented Burners

If your kit includes sand/vermiculite, glowing embers, bryte coals, or lava granules/coals, see Fig. 2-1 and Fig. 2-2, and refer to the owner's manual supplied with your burner system for complete installation details.
