CONES/CHIPS/ACORNS

These items are designed as secondary media, to be placed around the front and sides of the burner.

Place them as desired - see Fig. 1-1 for an example.

- If the fireplace has lava granules/coals, place the items on the lava media.
- **DO NOT** place the items on the burner, the burner pan media, or the logs.

Fig. 1-1 Place cones/chips/acorns around front and sides of burner

If your kit includes additional items, continue to the next page

BURNER PAN MEDIA AND LAVA MEDIA

If your kit includes sand/vermiculite, glowing embers, bryte coals, or lava granules/coals, see Fig. 2-1 and Fig. 2-2, and refer to the owner's manual supplied with your burner system for complete installation details.
