England Favorite**

"That's MY Grill!"

We Made It - Hello 2022!

As we ushered out 2021 and welcomed in 2022, we are all hopeful for an abundance of happiness, continued health and for the world to get back to the way it used to be.

Discontinued Real Fyre Product Listing

Effective with the recently announced 2022 prices, the following Real Fyre products have been discontinued:

- G10-12, G10-12-SS, G18-12, G18-2-12, and G19A-12 vent-free burner systems
- All G22-GL vented burner systems
- VG4-C Old English coal grates
- Vented outdoor burner systems G45-11-SS, G45-GL-11-SS, G45-15-SS, G45-GL-15-SS, G45-17-SS, G45-GL-17-SS; see-through models G45-2-11-SS, G45-2-GL-11-SS, G45-2-15-SS, G45-2-GL-15-SS, G45-2-17-SS, G45-2-GL-17-SS (previously announced)

While some limited quantities may still be available for a short time, these products have been removed from the new price sheets and have been discontinued due to low sales (in-house orders for these items will be processed conditional on availability of parts). Please adjust your records accordingly.

RHP Price Increase - New Prices in Effect

See you in Orlando and Atlanta!

We're excited to announce we are exhibiting at the **Kitchen & Bath Expo** in the **International Builder's Show**, **Feb. 8-10, 2022** in Orlando, FL. [Booth #S5056]

2022 also brings the return of RHP at the **HPBExpo in Atlanta March 3-5, 2022**. We're looking forward to some face time with our extended family of dealers and distributors. It's been too long! [Booth #909]

Fire Magic in the Media

A collaboration between Fire Magic Chef Anna Rossi and BBQ Bible author Steven Raichlen has us craving some grilled - yes, grilled - oysters.

A staple in New England, home to both Anna and Steven, this simple recipe features Chorizo oil, of all things! Watch as they put a new spin on a classic.

[See the video recipe here](#)

"That's MY Grill!"

Thanks to all who submitted photos for "That's MY Grill!" Your photo may be used in a future issue of *RHP Connect*.

When planning an outdoor kitchen, consumers often are unsure of what they want and how large of a grill they can accommodate in their unique space. Sometimes they just want a package they can select and set up quickly without much thought. One Palm Desert retailer, **Site One Landscape**, has a package set up for complete visualization with a Fire Magic L-shaped prefab island, with grill, side burner, refrigerator and appropriate doors. This generous island provides ample counterspace for food prep. Site One has even added a pergola with charming lights to create a beautiful designated grill pavilion.

Thank you [@siteonesupply](#) for sharing your Fire Magic pre-fab grill island display.

Thank you and cheers to good health.
