

STATEMENT OF POLICY Effective October 1, 2025

I. Selling Policy

- a.) All terms, specifications, discounts and prices are subject to change without prior notice.
- b.) The RH Peterson Co. (RHP) sells through wholesale distribution. Our regular sales channels are to those qualified selling outlets that **distribute and service** our product in accordance with our policies as we determine them.
- c.) RHP does not sell products on its web site. The web site is available to provide information about Fire Magic, American Outdoor Grill, American Fyre Designs or Real Fyre products and to guide consumers to authorized Peterson retailers. RHP maintains a dealer locator for Real Fyre Vented and Vent-Free Gas Logs; Fire Magic Grills and American Outdoor Grills; and American Fyre Designs Outdoor Fire Features. Sellers listed on our locator are **Authorized Dealers**. They comply with RH Peterson Co. policies and are able to support the Peterson products they sell.
- d.) RHP is committed to maintaining (i) the integrity of RHP's selling and advertising policies, including MSP (Minimum Sales Price), (ii) clarity in RHP's selling channels and pricing, and (iii) fair treatment of RHP's distributors, dealers and consumers. Therefore, the use of the words and terms: Peterson, Peterson Company, RH Peterson, Robert H Peterson (collectively the "Peterson Names"), "Real Fyre", "Fire Magic", "American Outdoor Grills", or "AOG" or "American Fyre Designs", or "AFD" (collectively the "Peterson Brands"), or any derivative thereof, in any advertising, promotion, marketing, or **domain name**, which may confuse consumers or other third parties as to the actual direct seller of Peterson Brands, as determined solely by RHP, is strictly prohibited.
If those terms are used in any manner, the user must prominently display its own name next to the "Peterson Names" or the "Peterson Brands", and the user must make it **abundantly clear** that they are a third-party seller and not RHP. Prominent use of the words "operated by.....", or similar qualifying terms as determined solely by RHP must be placed in an **easily visible** location and size next to the Peterson Names and/or the Peterson Brands.
- e.) All **active** customers of RHP are granted a revocable, non-exclusive authorization to **use** our copyrighted/trademarked property including, brand names, logos, photographs and printed materials - **only** as long as they are used in compliance with Advertising and Promotion Policies, and Selling Policies. Such rights may be revoked by us at any time in our sole discretion.
Distributors may copy trademarked/copyrighted material **only** to provide it to their dealers for their dealers use.
Dealers may use trademarked/copyrighted material as long as they abide with Advertising and Promotion Policies, and Selling Policies. Dealers may not copy this information for anybody's use but their own.
- f.) No one company or person is authorized to register a **domain name** which utilizes Peterson's Names or Peterson Brands in any manner without the express written permission of the RHP.

⁵⁾ Exceptions to MSP may only occur when a special Peterson sponsored program offering a discount or free goods is used, or written permission is given by RHP.
⁶⁾ All MSP pricing must be adjusted within 30 days of the effective date of price changes instituted by RHP
- i.) If a dealer violates Peterson's Advertising and Promotion Policy, or Selling Policy, the dealer may become ineligible for all Co-op Advertising funds and all other special programs, including early - buy programs for a year.

This warranty is valid only with proof of purchase, commences on the date of purchase, and terminates (both as to original and any replacement products) on the anniversary date of the original purchase of the product per the above schedules.

This warranty covers defects in material and workmanship. This warranty does not cover parts which become defective as a result of negligence, misuse, use not in compliance with the Installation and Owner's Manual, accidental damage, improper handling, improper storage, improper installation, lack of required routine maintenance (as specified in the Installation and Owner's Manual), electrical damage, local gas impurities or failure to protect against combustible materials. Product must be installed and gas must be connected, as specified in the Installation and Owner's Manual by a **qualified professional installer**. This warranty does not apply to rust, corrosion, oxidation, or discoloration unless the affected part becomes inoperable. Peterson products including valves, pilots and controls, are designed and certified (or listed) to be used as a system. Modifications to products which are not specifically authorized will void this warranty and could render the product to be unsafe. Burners, valves, parts, accessories, remotes, etc. used with this product must be Peterson products or this warranty is void.

Warrantied items will be repaired or replaced at Peterson's sole discretion. This warranty does not cover labor or labor related charges, except as provided by separate specific written programs from the RH Peterson Co. This warranty does not cover breakage in shipment from our independent distributor to its customer if the damage is determined to have occurred during that shipment.

This warranty specifically excludes liability for indirect, incidental, or consequential damages. Some states and provinces do not allow the exclusion or limitation of incidental or consequential damages, so the above exclusion may not apply to you. This warranty gives you specified legal rights, and you may have other rights that vary from state to state or province.

For additional information regarding this warranty, or to place a warranty claim, contact the R.H. Peterson dealer where the product was purchased.

All claims for warranty replacement must be resolved by the dealer or his/her distributor that sold the product. The distributor may then submit a claim to Peterson by obtaining a Return Material Authorization (RMA) number for the defective part(s) and returning them to the factory. If defective, credit or replacement part(s) will be sent to the distributor. Products may be registered at www.rhpeterson.com.
