

AFD Non-Residential Limited Warranty

When used in a non-residential setting including but not limited to hotels, restaurants, fire stations, police stations, etc., American Fyre Designs (AFD) warrants your AFD product to be free from defects in material and workmanship.

ONE (1) YEAR WARRANTY

AFD exterior Glass Fiber Reinforced Concrete (GFRC) fire features (“products”) and burners are warranted for one year.

NINETY (90) DAY WARRANTY

All AFD valves, electrical components, accessories and controls are warranted for ninety (90) days (excluding batteries, wind guards and screens)

This warranty does not apply to: product damage caused by burning wood or any fuel other than natural gas or propane; or damage or discoloration to product used in high wind conditions.

A COPY OF YOUR SALES SLIP FOR PROOF OF PURCHASE IS REQUIRED

This warranty applies to the original purchaser for products which are installed in the United States or Canada. This warranty is valid only with proof of purchase, shall commence on the date of purchase, and shall terminate (both as to original and any replacement products) on the anniversary date of the original purchase of the product stated on the above schedules.

This warranty **does not** cover parts which become defective as a result of negligence, misuse, use not in compliance with the Owner’s Manual/Installation Instructions, accidental damage, improper handling, improper storage, improper installation, lack of required routine maintenance (as specified in the Owner’s Manual/Installation Instructions), electrical damage, local gas impurities or failure to protect against combustibles. Product must be installed (and gas must be connected) as specified in the Owner’s Manual/Installation Instructions by a **qualified professional installer**. Modifications to products which are not specifically authorized by American Fyre Designs will void this warranty. Accessories, parts, valves, etc. must be American Fyre Designs products or this warranty is void. Warranted items will be repaired or replaced at RH Peterson’s sole discretion. This warranty **does not** apply to rust, corrosion, oxidation, or discoloration unless the affected part becomes inoperable.

This warranty **does not** cover labor or labor related charges, or shipping & handling costs. All repair work must be performed by a qualified professional service person.

American Fyre Designs may require the defective product or part to be returned to the factory to determine the cause of failure. This warranty does not cover breakage in shipment from our (Independent) distributor to its customer if the damage is determined to have occurred during that shipment.

This warranty specifically excludes liability for **indirect, incidental**, or consequential damages. Some states and provinces do not allow the exclusion or limitation of incidental or consequential damages, so the above exclusion may not apply to you. This warranty gives you specified legal rights, and you may have other rights that vary from state to state or province.

For additional information regarding this warranty, or to place a warranty claim, contact the American Fyre Designs dealer where the product was purchased.
